

Brilliant Water and Sewer District

706 2nd Street • Brilliant, Ohio 43913-1136

Office: (740) 598-4322 • Fax: (740) 598-3556

Email: brilliantwater@comcast.net

The Brilliant Water & Sewer District's water source comes from three (3) ground wells. All three of our wells are located at two different locations on Market Street in Brilliant, Ohio. Our wells are designated as ground water supply, meaning that no surface water enters our well supply.

The Brilliant Water and Sewer District is compliant on Ohio EPA mandated testing of our drinking water. Required daily, weekly and monthly testing is performed in accordance with our monitoring requirements for our system. The Brilliant Water and Sewer District will continue to comply with future testing requirements as set by the Ohio EPA.

If you have any questions regarding our water supply, please contact our office at (740) 598-4322.
