

**Village of Tiltonsville**  
122 Grandview Avenue  
P.O. Box 127  
Tiltonsville, OH 43963

The Tiltonsville water source is derived from two (2) ground wells located on Hodgens Avenue near the little league fields. These wells are designated as ground water supply, meaning that no surface water enters our wells.

The Tiltonsville water department is compliant on Ohio EPA mandated testing of our drinking water. All required daily, weekly and monthly testing is performed in accordance with our monitoring requirements for our system. The Tiltonsville water department will continue to comply with current and future testing requirements as set by the Ohio EPA.

For questions regarding our water supply , please call our office at (740)-859-4692.

"The Village of Tiltonsville is an Equal Opportunity Provider and Employer"
