

JEFFERSON COUNTY WATER AND SEWER DISTRICT OPERATIONS SUPERVISOR

The Jefferson County Water and Sewer District is accepting applications for the position of Operations Supervisor.

The position is under administrative direction of the Director of Sanitary Engineering and, supervises the operation of Jefferson County Water and Wastewater Systems. In general, the Operations Supervisor will: assign and review work of employees, assure completion of work orders, ensure safety practices and procedures are being complied with, ensures compliance with all laws, rules and regulations applicable to water/wastewater, serves as liaison to consulting engineers, the public, and government officials.

Applicants must possess (5) years of experience in water and/or wastewater operations and have supervisory experience. Applicants will possess Ohio EPA Operator Certifications of Water Supply (Class 1) and Wastewater Treatment (Class 2) or be able to obtain each within 1 year of hiring.

Salary will be negotiated based on experience and qualifications.

If there are any questions pertaining to this position you can contact Director of Sanitary Engineering Mike Eroshevich at (740) 283-8577.

Interested parties should fill out an application at the OhioMeansJobs-Jefferson County Job Center, located at 114 North 4th Street, Steubenville, Ohio 43952. Applications must be completed by 12:00 pm, April 5, 2024. You can also apply on the Ohio Means Jobs website or at www.jcwatersewer.com.

Please submit a resume with your application.
